NOTICE

Notice is hereby given that the 28th Annual General Meeting of Dhatre Udyog Limited (Formerly Known as Narayani Steels Limited) will be held on Friday, 29th September, 2023 at 1:00 P.M. IST through Video Conferencing ('VC') or Other Audio-Visual Means ('OAVM') facility, to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt:
 - a) The Audited Standalone Financial Statements of the Company for the financial year ended 31 March 2023, together with the Reports of the Board of Directors and the Auditors thereon; and
 - b) The Audited Consolidated Financial Statements of the Company for the financial year ended 31 March 2023, together with the Reports of the Board of Directors and the Auditors thereon;
2. To appoint a Director in place of Mr. Sumit Kumar Agarwal (DIN: 02184000), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3. **To ratify the remuneration payable to M/s. Sampath Babu & Co., Cost Auditor of the Company.**

To consider and, if thought fit, to pass with or without modification(s), the following Resolution as an **Ordinary Resolution**:

“RESOLVED THAT pursuant to the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 of Companies (Audit and Auditors) Rules, 2014 and other applicable provisions of the Companies Act, 2013, to M/s Sampath Babu & Co., Cost Accountants, Visakhapatnam to conduct the cost audit of the Company for the financial year 2023-24, at a remuneration as approved by the Board of Directors of the Company, be and is hereby ratified.”

4. **To regularize Mr. Ravi Kumar (DIN: 10258713) as an Executive Director (Operation) of the Company.**

To consider and if thought fit, to pass, with or without modifications, the following resolution as **Ordinary Resolution**:

“RESOLVED THAT in accordance with the provisions of Sections 196, 197, 198 and 203 read with Schedule V and other applicable provisions of the Companies Act, 2013 ('the Act') and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or reenactment(s) thereof, for the time being in force), Mr. Ravi Kumar (DIN: 10258713) who was appointed by the Board of Directors based on the recommendation of Nomination and Remuneration Committee, as an Additional Director of the Company with effect from 04.09.2023 under Section 161(1) of the Act to hold office till the conclusion of this annual general, with liberty to the Board of Directors (hereinafter referred to as "the Board" which term shall include the Nomination and Remuneration Committee of the Board) to alter and vary the terms and conditions of the said appointment and / or remuneration as it may deem fit;

RESOLVED FURTHER THAT Mr. Ravi Kumar be paid remuneration comprising salary, commission on profits, perquisites / benefits on following terms and conditions with liberty to the Board of Directors (hereinafter referred to as "the Board" which term shall be deemed to include Nomination and Remuneration Committee of the Board) to alter and vary the terms and conditions of the said reappointment and / or remuneration as it may deem fit and as may be mutually agreed between Mr. Ravi Kumar and the Board, subject to the same not exceeding the limits specified

under Schedule V of the Companies Act, 2013 or any statutory modification(s) or re-enactment thereof;

RESOLVED FURTHER THAT Directors of the Company and the Company Secretary be and are hereby jointly and severally authorised to file necessary forms, to comply with the necessary formalities in this regard and to do all such acts, deeds, matters and things as may be necessary for giving effect to the said resolution."

5. To approve Related Party Transactions

To consider and, if thought fit, to pass with or without modification(s), the following Resolution as an **Ordinary Resolution**:

“RESOLVED THAT pursuant to the provisions of Section 188 and other applicable provisions of the Companies Act, 2013 read with the Rules made there under (including any Statutory modification(s) or re-enactment thereof for the time being in force), the consent of the Members be and is hereby accorded and ratified the Related Party Transactions entered by the Company with the respective Related Parties and for the amounts as mentioned herein below for the Financial Year 2022-23:

Notes:

1. Pursuant to General Circulars No. 14/2020 dated April 8, 2020, No.17/2020 dated April 13, 2020, No. 20/2020 dated May 05, 2020, No. 02/2021 dated January 13, 2021, No. 21/2021 dated December 14, 2021 and No. 2/2022 dated May 05, 2022, No 10/2022 and 11/2022 dated December 28, 2022 issued by the Ministry of Corporate Affairs (collectively referred to as ‘MCA Circulars’ in relation to “Clarification on holding of AGM & EGM through video conferencing (VC) or other audio visual means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the AGM & EGM through VC/OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars, the AGM & EGM of the Company is being held through VC/OAVM. Circular no. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023, issued by SEBI (“SEBI Circular”) and pursuant to applicable provisions of the Companies Act and Rules made thereunder.
2. The Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013 (“the Act”) setting out material facts concerning the business under Item No. 3 to 5 of the accompanying Notice, is annexed hereto. The Board of Directors of the Company at its meeting held on 4th September 2023 considered that the special business under Item No. 3 to 5, being considered unavoidable, be transacted at the 28th AGM of the Company.
3. The relevant details, pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), as applicable provisions of the Companies Act, 2013 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment/ re-appointment at this AGM are also annexed to this Notice.
4. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with in line with the MCA Circulars and the SEBI Circulars. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Institutional/Corporate Shareholders (i.e., other than individuals/HUF, NRI, etc.) (“Body Corporates”) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorisation etc., authorising its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-Voting. The said Resolution/Authorisation shall be sent to the Scrutiniser by e-mail through its registered e-mail address at csankitadey@gmail.com
6. The voting rights of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date of Friday, 22nd September, 2023.
7. Since the AGM will be held through VC / OAVM, the Route Map of the AGM venue is not annexed to this Notice.
8. In compliance with the aforesaid MCA and SEBI Circulars, the Notice of the AGM is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice calling AGM along with the explanatory statement are available on the website of the Company at www.dhatre.com and on the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com , For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL. Company’s web-link on the above will also be provided in advertisement being published in Business Standard (English Language - All India edition) and Aaj Kal (Bengali Language).

9. Members attending the AGM through VC/OVAM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
10. The Register of Members and Share Transfer Books of the Company shall remain closed from Saturday, 23rd September, 2023 to Friday, 29th September, 2023 (both days inclusive).
11. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company Secretary or Bigshare Services Private Limited Company's Registrar and Share Transfer Agents ("RTA") for assistance in this regard.
12. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant ('DP') and holdings should be verified from time to time.
13. As per the provision of Section 72 of the Act, facility for making nomination(s) is available to Individuals holding shares in the Company. Members holding shares in single name are advised to make a nomination in respect of their shareholding in the Company. Members holding shares in physical form should file their nomination with the Company or RTA, whilst those Members holding shares in demat mode should file their nomination with their Depository Participant. The nomination form can be downloaded from the Company's website www.dhatre.com or can be obtained by writing mail to the compliance@dhatre.com.
14. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or Company's RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
15. In case of joint holders attending the Meeting, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
16. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form.
17. Members may please note that SEBI has made PAN as the sole identification number for all participants transacting in the securities market, irrespective of the amount of such transactions. Members may please note that SEBI has also made it mandatory for submission of PAN in the following cases: a. Deletion of name of the deceased shareholder(s); b. Transmission of shares to the legal heir(s); and c. Transposition of shares.
18. Members who have not yet registered their e-mail addresses are requested to register the same with their Depository Participants ("DP") since the shares are held by them in electronic Form.

INSTRUCTIONS FOR THE MEMBERS FOR ATTENDING THE e-AGM THROUGH VIDEO CONFERENCE /OTHER AUDIO-VISUAL MODE:

- i. Attending the e-AGM: Members will be able to attend the AGM through VC / OAVM by using their remote e-voting login credentials and selecting the ‘Event’ for Company’s AGM. Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the Notice. Further, Members can also use the OTP based login for logging into the e-voting system.
- ii. Members are encouraged to join the Meeting through Laptops with Google Chrome for better experience.
- iii. Further Members will be required to allow Camera, if any, and hence use Internet with a good speed to avoid any disturbance during the meeting.
- iv. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- v. Facility of joining the AGM through VC / OAVM shall be open 15 minutes before the time scheduled for the AGM.
- vi. Those Members who register themselves as speaker will only be allowed to express views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers and time for each speaker depending upon the availability of time for the AGM.
- vii. Submission of Questions / queries prior to e-AGM:**

Members desiring any additional information with regard to Accounts/ Annual Reports or has any question or query are requested to write to the Company Secretary on the Company’s investor email id i.e., Compliance@dhatre.com at least 2 days before the date of the e-AGM, so as to enable the Management to keep the information ready. Please note that, member’s questions will be answered only if they continue to hold the shares as of cut-off date.
- viii. Speaker Registration before e-AGM: Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID/folio number, PAN, mobile number at compliance@dhatre.com from Monday, 25th September, 2023 (10:00 a.m. IST) to Wednesday 27th September, 2023 (5:00 p.m. IST). Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
- ix. Facility of joining the AGM through VC / OAVM shall be available for 1000 members on first come first served basis. However, the participation of members holding 2% or more shares, promoters, Institutional Investors, directors, key managerial personnel, chairpersons of Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Auditors are not restricted on first come first serve basis.
- x. Corporate members intending to send their authorised representatives to attend the Annual General Meeting through Video Conferencing (“VC”) / Other Audio-Visual Means (“OAVM”) pursuant to the provisions of Section 113 of the Companies Act, 2013 are requested to send a certified copy of the relevant Board Resolution to the Company.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on Monday 9.00 am 25th day of September, 2023 and ends on 05 pm Thursday the 28th day of September, 2023. During this period Shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday the 22nd September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- (iv) In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<p>1.Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. <p>Individual Shareholders (holding securities in demat mode) login through their Depository Participants</p>	<p>You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.
Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e., CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

(vi) Login method for e-Voting and joining virtual meeting for shareholders other than individual shareholders holding in Demat form & physical shareholders.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form	
PAN	Enter your 10-digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

(vii) After entering these details appropriately, click on “SUBMIT” tab.

- (viii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "**RESOLUTIONS FILE LINK**" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xvi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) Facility for Non – Individual Shareholders and Custodians –Remote Voting**
- Non-Individual shareholders (i.e., other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

Item No. 3

To ratify the remuneration payable to M/s. Sampath Babu & Co., Cost Auditor of the Company.

Ratification of Remuneration to Cost Auditors for FY 2023-24 The Board, on the recommendation of the Audit Committee, has approved the appointment of M/s. Sampath Babu & Co., Cost Accountants, Vishakhapatnam, to conduct the Cost Audit of the Company for the financial year 2023-24. In accordance with the provisions of Section 148 (3) of the Companies Act, 2013 read with Rule 14 of Companies (Audit & Auditor Rules), 2014, the remuneration payable to the Cost Auditor is required to be ratified by the members of the Company. None of the Directors, Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in the resolution. The Board of Directors recommends the Ordinary Resolution for your approval.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 3 of the Notice.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No.3 of the Notice.

Item No. 4

To regularize Mr. Ravi Kumar (DIN: 10258713) as an Executive Director (Operation) of the Company

The Board of Directors based on the recommendation of the Nomination & Remuneration Committee, had appointed Mr. Ravi Kumar as an Additional Director with effect from 04.09.2023. In accordance with the provisions of Section 161 of the Companies Act, 2013, Mr. Ravi Kumar shall hold office upto the date of the ensuing Annual General Meeting and is eligible for appointment as a Director of the Company. The Board of Directors of the Company at its meeting held on 04.09.2023, had subject to necessary approval of shareholders, appointed Mr. Ravi Kumar as an Executive Director of the Company on such terms of remuneration as the Board thinks fit from time to time, but within the ceiling(s) laid down in the Act or any statutory amendment or relaxation thereof. Information about the appointee: Mr. Ravi Kumar, aged 27 years, is a Mechanical Engineer by qualification and handling various projects for the Company.

None of the Directors and / or Key Managerial Personnel of the Company and their relatives are related to Mr. Ravi Kumar and accordingly, none of them are concerned or interested, financially or otherwise, in the said Resolution.

The Board of Directors recommend the Ordinary Resolution set out at Item No.4 of the Notice for approval by the Members.

Item No. 5

To approve related party transactions

The members are informed that the Companies Act, 2013 provides to ensure transparency in the transactions and dealings between the Related Parties of the Company. As per the provisions of Section 188 (1) of the Companies Act, 2013 "Related Party Transactions" requires obtaining prior consent of the Board/resolution professional where transactions proposed to be entered into falls in the list of items referred therein and are within threshold limits prescribed under Rule 15 of Companies (Meeting of Board and its Power) Rules, 2015. Rule 15 of Companies (Meeting of

Board and its Power) Rules, 2014 requires taking prior approval of the Company by Special Resolution where transactions proposed to be entered to falls, in the list of items referred therein and are in excess of threshold limits. Proviso to Section 188 further provides that nothing contained in Sub-section (1) of Section 188 applies where transactions are entered into by the Company in the ordinary course of business other than transactions which are not on an arm's length basis.

All transactions entered and to be entered into by the Company with Related Entities are at arm's length basis and in the ordinary course of business except a few which could be construed as not in the ordinary course of business but are at arm's length basis.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise except mentioned in the Item No.5 in the resolution.

The Board/Resolution Professional recommends passing of the resolution as set out at Item No. 5 of the Notice as an Ordinary Resolution.

31. MAINTENANCE OF COST RECORDS SPECIFIED BY THE CENTRAL GOVERNMENT UNDER SECTION 148 OF THE COMPANIES ACT, 2013

Maintenance of cost records as specified by the central government under sub-section (1) of section 148 of the companies act, 2013, is required by the company and accordingly such accounts and records are made and maintain.

32. AUDITORS, AUDIT QUALIFICATIONS AND BOARD'S EXPLANATIONS

Statutory Auditors

As per Section 139 of the Companies Act, 2013, read with your Companies (Audit and Auditors) Rules, 2014, the members of the Company in 27 Annual General Meeting of the Company ('27 AGM') approved the appointment of M/s. P.D. Rungta & Co., Chartered Accountants (ICAI Firm Registration No. 001150C) as the Statutory Auditors of the Company for a term of five consecutive years i.e. from the conclusion of 27 AGM till the conclusion of 32 AGM.

The Report given by M/s. P.D. Rungta & Co., on the Financial Statements of your Company for the financial year 2023 is part of the Annual Report. The Auditor's Report contains qualified report. The basis for qualification are as follows:

- a. Internal Audit Report is not available since the management has not appointed Internal Auditor as required under section 138 of Companies Act, 2013.
- b. Balances under sundry debtors and loans and advances given by the company are subject to confirmations and adjustments, if any. In absence of such confirmations and reconciliations, consequential impact of the same on financial statements of the company could not be ascertained.
- c. Physical verification / valuation report for Property, Plant & Equipment including assets held for sale of Rs.84.16 Lakhs is not available and in absence of verification / valuation report, we are unable to ascertain the fair / realizable values of such items and its impact on the financials of the company for the year under report.

Secretarial Auditors Report

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of SEBI Listing Regulations, M/s. Ankita Dey & Associates, Practising Company Secretaries had been appointed as Secretarial Auditor, to undertake Secretarial Audit of the Company for the FY 2022-23. The report of the Secretarial Auditor in the prescribed Form MR-3 is annexed to this report as **Annexure- IV**.

Cost Auditor

M/s. Sampath Babu & Co., Cost Accountants, Visakhapatnam, was appointed as Cost Auditors of the Company to conduct the audit of Cost Accounts maintained by the Company.

33. REPORTING OF FRAUDS BY AUDITORS

During the year under review, the Statutory Auditors, Cost Auditor and Secretarial Auditor have not reported any instances of frauds committed in the Company by its Directors or Officers or Employees to the Audit Committee under section 143(12) of the Companies Act, 2013, details of which needs to be mentioned in this Report.

34. VIGIL MECHANISM (WHISTLE BLOWER POLICY)

The Vigil Mechanism as envisaged in the Companies Act, 2013, the Rules prescribed thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is implemented through the Company's Whistle Blower Policy.

The Company has adopted a Whistle Blower Policy establishing a formal vigil mechanism for the Directors and employees to report concerns about unethical behaviour, actual or suspected fraud or violation of Code of Conduct and Ethics. It also provides for adequate safeguards against the victimization of employees who avail of the mechanism and provides direct access to the Chairperson of the Audit Committee in exceptional cases. The policy of vigil mechanism is available on the Company's website.

The brief detail about this mechanism may be accessed on the Company's website at the weblink: <https://dhatre.com/wp-content/uploads/2023/08/Vigil-Mechanism-Whistle-Blower-Policy-1.pdf>

35. PREVENTION OF SEXUAL HARASSMENT

Your Company has framed a Policy of prevention, prohibition and redressal of sexual harassment at workplace in line with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Company has zero tolerance for sexual harassment for women at workplace and has adopted a policy against sexual harassment in line with Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the rules framed thereunder. All women who are associated with the Company—either as permanent employees or temporary employees or contractual persons including service providers at Company sites are covered under the above policy. During the financial year 2022-23, the Company has not received any complaints on sexual harassment and hence no complaint remains pending as on 31st March, 2023. The policy

on prevention of sexual harassment as approved by the Board is uploaded on the website of the Company and the web link is <https://dhatre.com/wp-content/uploads/2023/08/Sexual-Harrasment.pdf>

In terms of the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended from time to time, the Management's Discussion and Analysis as **Annexure – V**.

42. CORPORATE GOVERNANCE

A Report on Corporate Governance along with a Certificate from the Secretarial Auditors of the Company regarding compliance with the conditions of Corporate Governance as stipulated under Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 forms part of the Annual Report as **Annexure – VI**.

43. THE DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

There have been no significant material orders passed by the Regulators or Courts or Tribunals which would impact the going concern status of the Company and its future operations. During the year under review, no application was made or any proceedings pending against the Company under the Insolvency and Bankruptcy Code, 2016.

44. INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate systems of internal control meant to ensure proper accounting controls, monitoring cost cutting measures, efficiency of operation and protecting assets from their unauthorized use. The Company also ensures that internal controls are operating effectively. The Company has also in place adequate internal financial controls with reference to financial statement. Such controls are tested from time to time to have an internal control system in place.

Based on their view of these reported evaluations, the directors confirm that, for the preparation of financial statements for the financial year ended 31 March 2023, the applicable Accounting Standards have been followed and the internal financial controls are generally found to be adequate and were operating effectively & that no significant deficiencies were noticed.

45. INSURANCE

All the assets of the Company wherever necessary and to the extent required have been adequately insured.

46. ENVIRONMENT, HEALTH AND SAFETY

The Company is committed to provide a safe and healthy work environment for the well-being of all our Stakeholders. The operations of the Company are conducted in such a manner that it ensures safety of all concerned and a pleasant working environment. The Company strives to maintain and use efficiently limited natural resources as well as focus on maintaining the health and well-being of every person.

47. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Your Company lays emphasis on commitment towards its human capital and recognizing its pivotal role for organization growth. During the year, the Company maintained a record of peaceful employee relations.

Your Directors wish to place on record their appreciation for the commitment shown by the employees throughout the year.

48. DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 DURING THE YEAR ALONG WITH THEIR STATUS AT THE END OF THE FINANCIAL YEAR

The details of application made or any proceeding pending under the Insolvency and Bankruptcy Code, 2016 are not applicable to the Company

49. DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF

The details of difference between amount of the valuation done at the time of one-time settlement and the valuation done while taking loan from the banks or financial institutions along with the reasons are not applicable to the Company.

50. ACKNOWLEDGEMENT

Your Directors wishes to express its gratitude and places on record its sincere appreciation for the commitment and efforts put in by all the employees. And also record their sincere thanks to bankers, business associates, consultants, and various Government Authorities for their continued support extended to your Companies activities during the year under review.

Your Directors also acknowledges gratefully the shareholders for their support and confidence reposed on your Company. We place on record our appreciation of the contribution made by our employees at all levels. Our consistent growth was made possible by their hard work, solidarity, cooperation and support.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Dhatre Udyog Limited** (hereinafter called the company). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have also examined the following:

all the documents and records made available to us and explanation provided by Dhatre Udyog Limited ("the Listed Entity"),

- (a) the filings/submissions made by the Listed Entity to the Stock Exchanges,
- (b) website of the listed entity,
- (c) books, papers, minute books, forms and returns filed with the Ministry of Corporate Affairs and other records maintained by Dhatre Udyog Limited ("the Company") for the financial year ended on 31st March, 2023 according to the provisions as applicable to the Company during the period of audit and subject to the reporting made hereinafter and in respect of all statutory provisions listed hereunder:

- i. The Companies Act, 2013 (the Act) and the Rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment, External Commercial Borrowings, and Foreign Trade (Development and Regulation) Act 1992;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - e. The Securities and Exchange Board of India (Share based employee benefit) Regulations, 2014; (not applicable to the Company during the audit period)
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (not applicable to the Company during the audit period)
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

We hereby report that

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. All decisions at Board Meetings and Committee Meetings are carried out unanimously or as per requisite majority as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.
- d. The Listed Entity has complied with the provisions of the above Regulations and circulars/guidelines issued thereunder.

- e. The Listed Entity has maintained proper records under the provisions of the above Regulations and circulars/guidelines issued thereunder in so far as it appears from our examination of those records.

We have also examined the compliance with the applicable clauses of the following:

- (i) The Listing Agreements entered into by the Company with the Stock Exchanges, where the Securities of the Company are listed and the uniform listing agreement with the said stock exchanges pursuant to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (ii) Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS- 2) issued by the Institute of Company Secretaries of India.

It is reported that during the period under review, the Company has been regular in complying with the provisions of the Act, Rules, Regulations and Guidelines, except:

1. This is to mention that the company have not appointed any CFO and Internal Auditor as required under section 138 of Companies Act, 2013 during the Financial Year 2022-23. Further the company have appointed the Internal Auditor on 30th day of May, 2023 and CFO on 01st day of June, 2023.
2. The Company has submitted the pdf of Reg 24A for the F.Y. 2022-23 on 18th May, 2023 however on 31st May, 2023 we have received mail from BSE requesting to submit the report as per new format which the Company has submitted on 7th June, 2023. Consequently, the BSE has imposed a fine of Rs. 16,000, plus GST, totaling Rs. 18,880 for the 8 days delay in submitting the revised report.

As per the advice of the Bombay Stock Exchange vide Notice dated June 26, 2023, the above stated non-compliance of Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which has been identified and indicated by the exchange and the details of the fine levied and paid by the company and subsequent actions taken thereof by the exchange in this regard has been placed before the board meeting held on 14th August, 2023 and board have taken note of that.

We further report that, based on the information provided by the Company, its officers and authorized representatives in our opinion, adequate systems and control mechanism exist in the Company to monitor and ensure compliance with other applicable general laws including Human Resources and Labour laws.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by Statutory Financial Auditor and other designated professionals.

I further report that during the audit period there were following specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above are:

1. Company have proposed change in it's name from "Narayani Steels Limited" to "Dhatre Udyog Limited" in financial year 2022-23 and approval received on 8th day of May, 2023, all required compliance have been done in this regard.

Management Discussions & Analysis

Management's discussion and analysis of the financial condition and results of operations include forward looking statements based on certain assumptions and expectations of future events. The Company cannot assure that these assumptions and expectations are accurate. Although the Management has considered future risks as part of the discussions, future uncertainties are not limited to Management perceptions.

1. Review of Indian Economy:

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. India's nominal gross domestic product (GDP) has touched the \$3.75 trillion-mark in 2023. India is the third-largest unicorn base in the world with over 100 unicorns with a total valuation of US\$ 332.7 billion. India needs to increase its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030s, for productivity and economic growth according to McKinsey Global Institute. The net employment rate needs to grow by 1.5% per year from 2023 to 2030 to achieve 8-8.5% GDP growth between 2023 and 2030. According to data from the Department of Economic Affairs, as of as of March, 2023, foreign exchange reserves in India reached the US\$ 578.4 billion mark. To cushion rupee depreciation, RBI has been intervening in the forex market via both spot and forward positions.

2. Industry Structure and developments:

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. According to the Department for Promotion of Industry and Internal Trade (DPIIT), FDI equity inflow amount for infrastructure industries in India for the period 2016-2023 was not so good. In the financial year 2023, the infrastructure industries in India saw a foreign direct investment equity inflow of approximately 1.7 billion U.S. dollars. This was a decline compared to the previous years.

3. Strength, Opportunities, Threats

Strength:

- Established operations and proven track record
- Smooth flow of operations and Business Model
- Experienced Management Team
- Satisfied customer with quality and service

Opportunities:

- Potential to provide other value-added services
- Expanding new geographical area
- Enhancing functional efficiency
- Opportunities in Indian Market
- Government thrust for growth in Indian Economy will boost the logistics & Infrastructure Industry

Threats:

- Increased Competition from Big Players
- Change in Government Policies
- Rising labour wages
- Margins may be constrained in the future
- There are no entry barriers in our industry which puts us to the threat of competition from new entrants

4. Segment Wise - Product wise performance:

During the year under review, the Company operated in only one segment which is production of Iron and Steel Products.

Details of Segment wise Revenue of the Company:

- Iron & Steel Products: The Total Revenue from Iron & Steel Products is Rs. 10,709.75/- Lakhs.

5. Outlook

The Continual growth in the Indian sector is necessary to give necessary support to the industry. The company is making all efforts to accelerate the growth of its business. It expects to improve its position in the market by focusing in the technologically advanced and more profitable and market segment and working aggressively in the area of productivity, efficiency and cost reduction.

6. Risks and Concerns

The Industry is exposed to the following risk and concerns:

- Political instability or a change in economic liberalization and deregulation policies could seriously harm business and economic conditions in India generally and our business in particular.

The Government of India has traditionally exercised and continues to exercise influence over many aspects of the economy. Our business and the market price and liquidity of our Equity Shares may be affected by interest rates, changes in Government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. The rate of economic liberalization could change, and specific laws and policies affecting the information technology sector, foreign investment and other matters affecting investment in our securities could change as well. Any significant change in such liberalization and deregulation policies could adversely affect business and economic conditions in India, generally, and our business, prospects, financial condition and results of operations, in particular.

- Global economic, political and social conditions may harm our ability to do business, increase our costs and negatively affect our stock price.

Global economic and political factors that are beyond our control, influence forecasts and directly affect performance. Factors include interest rates, rates of economic growth, fiscal and monetary policies of governments, inflation, deflation, foreign exchange fluctuations, consumer credit availability, fluctuations in commodities markets, consumer debt levels, unemployment trends and other matters that influence consumer confidence, spending and tourism. Increasing volatility in financial markets may

cause these factors to change with a greater degree of frequency and magnitude, which may negatively affect our stock prices.

- Any downgrading of India's sovereign rating by an independent agency may harm our ability to raise financing.

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing, and the interest rates and other commercial terms at which such additional financing may be available. This could have an adverse effect on our business and future financial performance, our ability to obtain financing for capital expenditures and the trading price of our Equity Shares.

7. Internal Control systems and its adequacy

The Company has an effective and reliable internal control system commensurate with the size of its operations. At the same time, it adheres to local statutory requirements for orderly and efficient conduct of business, safeguarding of assets, the detection and prevention of frauds and errors, adequacy and completeness of accounting records and timely preparation of reliable financial information. The efficacy of the internal checks and control systems is validated by self-audits and internal as well as Statutory Auditors.

8. Discussion on financial performance of the Company with respect to operational performance.

• Share Capital

The Paid-up Share Capital of the Company as on 31st March, 2023 is Rs. 10,89,54,500/- (Rupees Ten Crore Eight-Nine Lakhs Fifty-Four Thousand Five Hundred Only) divided into 1,08,95,450 (One Crore Eight Lakhs Ninety-Five Thousand Four Hundred Fifty) Equity Shares of Rs. 10/- (Rupees Ten only).

• Reserves and Surplus

The reserves and surplus is Rs. 5,014.69 Lakhs as on the end of the current year.

• Total Income

During the year under consideration, the total income was Rs. 11,005.51 Lakhs as against Rs. 1,187.21 Lakhs during the previous year.

9. Material developments in Human resources / industrial Relations front, including number of people employed

Human Resources and an effective and efficient human resource are a key to the success of any organization and our company has been well focused in adopting the best standards in the Industry which not only gives us the benefit of attracting good talent but gives us an edge towards providing best qualitative services to our customers. Our manpower is a mix of experienced and young talent pool of resources which gives us the dual advantage of stability and growth. Our work processes and skilled resources together with our strong management team have enabled us to successfully implement our growth plans.

10. Key Financial Ratios:

Ratios	2022-23	2021-22	Variance (in %)
Current Ratio	42.10	48.34	-12.90%

Debt-Equity Ratio	0.02	0.05	-64.34%
Debt Service Coverage Ratio	-	59.94	NA
Return on Equity Ratio	15.17%	1.01%	1406.70%
Inventory turnover ratio	20.45	-	NA
Trade Receivables turnover ratio	3.02	0.17	1725.36%
Trade payables turnover ratio	252.47	-	NA
Net capital turnover ratio	2.24	0.33	579.52%

Reason for variance: Figures for the Financial Year 2021-22 are after implementation of the approved Resolution Plan whereupon operational & financial liabilities were extinguished and advances, Trade & other receivables were written off and are not comparable with the figures for the current financial year and hence the variance.

11. Cautionary Statement

This report contains forward- looking statements based on the perceptions of the Company and the data and information available with the company. The company does not and cannot guarantee the accuracy of various assumptions underlying such statements and they reflect Company's current views of the future events and are subject to risks and uncertainties. Many factors like change in general economic conditions, amongst others, could cause actual results to be materially different.

CEO and CFO Certificate

We hereby certify that:

- a) We have reviewed Audited Financial Statements and the Cash Flow Statement for the Financial Year ended 31 March 2023 and that to the best of our knowledge and belief:
 - i. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's code of conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the Auditors and the Audit Committee that there are no:
 - i. significant changes in internal control over financial reporting during the year;
 - ii. significant changes in accounting policies during the year requiring disclosure in the notes to the financial statements; and
 - iii. instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the Company's internal control system over financial reporting.

INDEPENDENT AUDITORS' REPORT

To the Members of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)**

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone Ind AS financial statements of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)** ["the Company"], which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report**, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion:

- d. Internal Audit Report is not available since the management has not appointed Internal Auditor as required under section 138 of Companies Act, 2013.
- e. Balances under sundry debtors and loans and advances given by the company are subject to confirmations and adjustments, if any. In absence of such confirmations and reconciliations, consequential impact of the same on financial statements of the company could not be ascertained.
- f. Physical verification / valuation report for Property, Plant & Equipment including assets held for sale of Rs.84.16 Lakhs is not available and in absence of verification / valuation report, we are unable to ascertain the fair / realizable values of such items and its impact on the financials of the company for the year under report.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

(i) Non conduct of Internal Audit and Non availability of Internal Financial Controls: We were not provided with copy of Internal Audit Report and Risk Control Matrix including Standard Operating Procedures of the company which we consider to be significant key matter, keeping in view the nature and size of the operations of the Company.

Our procedures included the following: The issues relating to Internal Audit Report and Internal Financial Controls have been discussed with the management, who has assured necessary compliances in the current fiscal year.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The information included in the annual report is expected to be made available to us after the date of the auditor's report.

Our opinion on the Ind AS standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard **except for matters described in the 'Basis for Qualified Opinion' para above.**

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books **except for matters described in the 'Basis for Qualified Opinion' para above.**
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and the Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014 **except for matters described in the 'Basis for Qualified Opinion' para above.**
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure 2**" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 of the Act;
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - a. Pursuant to the approval of the Resolution Plan by the Order dated 11th January 2022 of the Hon'ble National Company Law Board (Kolkata Bench), all the pre-existing contingent liabilities have been extinguished together with the associated pending litigations and hence, as per management, there is nothing to be disclosed in its financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to these Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or

entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
- b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in notes to these financial statements, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- a) directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or
- b) provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material misstatement.

ANNEXURE- 1 TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 of the Report on Other Legal and Regulatory Requirements of Independent Auditor's Report of even date to the members of Dhatre Udyog Limited (Formerly, Narayani Steels Limited) on the standalone Ind AS financial statements as of and for the year ended 31 March 2023

- i. a)
 - (A) According to the information and explanations given to us, the Company is in the process of updating records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company does not have any intangible assets and hence no comments are required.
 - b) Property, Plant and Equipment have not been physically verified during the year by the Management, as the records are under updation and hence we are unable to comment upon the discrepancies, if any.
 - c) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the title deeds of all immovable properties (other than properties where the company is the lessee, and the lease agreements are executed in favour of the lessee) are held in the name of the Company.
 - d) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not revalued any class of its Property, Plant and Equipment during the year. The Company does not have any Intangible Assets and Right of Use assets as at 31st March 2023.
 - e) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, para 3(i)(e) of the order is not applicable.
- ii.ii.
- a) As explained to us, inventories have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. No material discrepancies were noticed on verification between the physical stocks and the book records.
 - b) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks and financial institutions on the basis of security of current assets.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore, the provision of paragraph 3 (iii) of the Order are not applicable to the Company.

- iv. In our opinion and according to the information and explanations given to us, during the year, the Company has not granted any loan, made any investment or provided any guarantees to any person specified under section 185 and section 186 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(iv) of the Order are not applicable to the Company.
- v. In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not accepted during the year deposits or amounts which are deemed to be deposits and therefore the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and the rules framed there under are not applicable to the Company. No order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- vi. We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the Rules made by the Central Government of India, maintenance of cost records has been prescribed under sub-section (1) of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, barring certain delay in deposit of TDS, the Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, income tax, duty of customs, cess and other statutory dues applicable to it with the appropriate authority.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Goods and Service Tax, Cess and other material statutory dues were in arrears as at 31st March 2023 for a period of more than six months from the date they became payable.

- viii. In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, there are no transactions that are not recorded in the books of account, that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, para 3(viii) of the Order is not applicable.

ix.ix.

- (a) Based on our examination of the records of the Company and according to the information and explanations give to us and, the Company has not availed any loans or other borrowings from any financial institution or a bank during the year. Accordingly, reporting under clause 3(ix)(a) of the order does not arise.
- (b) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not taken any term loans during the year.

- (d) Based on our examination of records of the Company and according to the information and explanations given to us, barring unsecured loans from related parties, the Company did not raise any funds during the year. Accordingly, reporting under clause 3(ix)(c) of the Order does not arise.
 - (e) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - (f) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x.
- (a) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, para 3(x)(a) of the order is not applicable.
 - (b) In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, para 3(x)(b) of the order is not applicable. The Company has, however, made the allotment during the year against the share application money received in the previous financial year from successful resolution applicant and its directors / associates pursuant to Order of the NCLT dated 11th January 2022.
- xi.
- (a) In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, no fraud by the company or on the Company has been noticed or reported during the year. Accordingly, para 3(xi)(a) of the order is not applicable.
 - (b) In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, no report under Section 143(12) of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, para 3(xi)(b) of the order is not applicable.
 - (c) In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, no whistle-blower complaint has been received by the Company during the year. Accordingly, para 3(xi)(c) of the order is not applicable.
- xii. In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, the Company is not a Nidhi Company. Accordingly, paragraphs 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 and details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. xiv.

- (a) In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, the Company does not have an internal audit system commensurate with the size and nature of its business.
- (b) Internal Audit was not conducted by the company during the financial year 2022-23 and thus the reports of the Internal Auditors for the period were not considered by us during the course of the audit.

xv. In our opinion and according to the information and explanations given to us and based on examination of records we considered necessary, the Company has not entered into any non-cash transaction with directors or persons connected with him as specified under Section 192 of the Companies Act, 2013. Accordingly, paragraph 3(xv) of the Order is not applicable.

xvi. xvi.

- a. In our opinion and according to the information and explanation given to us and examination of books and records, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 as a Non-Banking Finance Company. Accordingly, para 3(xvi)(a) of the Order is not applicable.
- b. In our opinion and according to the information and explanation given to us and examination of books and records, the Company has not conducted any Non-Banking Financial activities or any Housing Finance activities. Accordingly, para 3(xvi)(b) of the Order are not applicable.
- c. In our opinion and according to the information and explanation given to us and examination of books and records, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable.
- d. In our opinion and according to the information and explanation given to us and examination of books and records, there is no Core Investment Company (CIC) in the group.

xvii. In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company has not incurred any cash losses in the current financial year as well in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.

xix. In our opinion and according to the information and explanation given to us and examination of books and records as we considered necessary, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us and based on examination of records as we considered necessary, the Company was not required to transfer any amount to a fund specified in Schedule VII to the Companies Act, 2013 or to a special account in

compliance with Section 135(6) of the Act. Accordingly, paragraph 3(xx) of the Order is not applicable.

ANNEXURE- 2 TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)** [“the Company”] as of 31st March, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2023:

- i. Internal Audit Report is not available since management has not appointed Internal Auditor as required under section 138 of Companies Act, 2013.
- ii. Balances under sundry debtors and loans and advances given by the company are subject to confirmations and adjustments, if any. In the absence of such confirmations and reconciliations, consequential impact of the same on financial statements of the company could not be ascertained.
- iii. Physical verification/valuation report for Property, Plant & Equipment including assets held for sale of Rs.84.16 Lakhs is not available and in absence of verification/valuation report, we are unable to ascertain the fair / realizable values of such items and its impact on the financials of the company for the year under report.

In our opinion, because of the possible effects of the material weakness as described above on the achievement of the objectives of internal control criteria, the Company has not maintained adequate internal financial control over financial reporting and such internal financial controls over financial reporting were not operating effectively with respect to obtaining balance confirmations as on March 31, 2023, and

We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of financial statements of the Company for the year ended March 31, 2023 and these material weaknesses don't affect our opinion on the financial statements of the company.

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Standalone financial statements for the year ended 31st March, 2023

1. Corporate Information

Dhatre Udyog Limited (Formerly, Narayani Steels Limited) ["the Company"] is principally engaged in the business of manufacture and sale of TMT bars, Rounds, Squares, Angles, etc (including conversion on job-work basis) and trading of Billets, Blooms, Ingots, Iron ores, etc.

The Company is an integrated manufacturer of diverse range of Iron & steel products with its manufacturing facilities located at Vizianagaram, Andhra Pradesh, India.

Dhatre Udyog Limited (Formerly, Narayani Steels Limited) is a public limited company incorporated in India on 13th November, 1996 under the Companies Act, 1956 (as amended Companies Act, 2013) and listed on the Bombay Stock Exchange. The registered office is situated at Ergo Tower, Plot No. A1-4, Block - EP & GP, Unit No. 1406, 14th Floor, Sector - V, Salt Lake City, Kolkata - 700091 (**Corporate Office at Survey No. 202/31-38, Modavalsa Village, Denkada Mandalam, Vizianagaram, Andhra Pradesh-535006, India**).

2. Basis of preparation

a) Statement of Compliance

These standalone financial statements are prepared in accordance with the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

b) Functional and presentation currency

The financial statements are presented in Indian Rupees ('Rs') which is Company's presentation currency. The functional currency of the Company is also Indian Rupees ('Rs'). All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh with two decimals as per the requirement of Schedule III, unless otherwise stated.

c) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

(i) Certain financial assets and financial liabilities measured at fair value;

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

The statement of cash flows have been prepared under indirect method.

d) Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

e) Critical accounting judgements and key sources of estimation uncertainty: Key assumptions-

(i) Useful lives of Property, plant and equipment and intangible assets:

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the assets.

(ii) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(iii) Defined benefit plans:

The cost of the defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iv) Recognition and measurement of provisions and contingencies:

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is made towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

(v) Expected credit losses on financial assets: The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Company's history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

f) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: includes financial Instrument measured using quoted prices (unadjusted) in active markets for identical assets and liabilities that the entity can access at the measurement date.
- Level 2: Includes financial Instruments which are not traded in active market but for which all significant inputs required to fair value the instrument are observable. The fair value is calculated using the valuation technique which maximises the use of observable market data.
- Level 3: Includes those instruments for which one or more significant input are not based on observable market data."

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. Significant accounting policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of business and the time between the acquisition of assets for development and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVOCI)
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Standalone financial statements for the year ended 31st March, 2023

Financial assets at FVOCI

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

ii. Financial liability

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:

- Financial liabilities through profit or loss (FVTPL)
- Financial liabilities at amortised cost

Financial liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Financial liabilities at amortised cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and any gain or loss on derecognition are recognised in profit or loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derecognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative financial instruments

The Company uses forward contracts to hedge its currency risk. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Derivative financial instruments are recognised initially and subsequently at fair value through mark to market valuation. Gain or loss arising from the changes in fair value of derivatives are credited or debited to the Exchange differences in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, Plant and Equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use, which is determined by the present value of the estimated future cash flows.

ii. Transition to IndAS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2017, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

iii. Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iv. Depreciation

Depreciation for the year is recognised in the Statement of Profit and Loss.

Depreciation is provided based on the life and in the manner prescribed in Schedule II to the Companies Act, 2013, on straight line method on property, plant and equipment in Unit II at Bhogapuram, on written down value method on other property, plant and equipment and on written down basis on Right-to-use Assets.

These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of right-of-use assets, over the lease period, if shorter.

The estimated useful lives of the assets of property, plant and equipment are estimated by the management which are equal to the life prescribed under Schedule II of the Act.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

v. Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of classification.

vi. Capital Work-in-progress

Costs of the Property, plant and equipment not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-progress.

d) Investment properties

Investment properties are properties held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, investment properties are measured at cost. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

The Company depreciates investment properties on a written down value method over the useful life of the asset.

Any gain or loss on disposal of an investment property is recognised in profit or loss.

The fair values of investment properties are disclosed in the notes accompanying these financial statements.

Fair values are determined by an independent property valuer who holds recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

e) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal.

The useful life of computer software is considered to be 5 years.

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELSLIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Standalone financial statements for the year ended 31st March, 2023

i. Amortisation

Amortisation for the year is recognised in the Statement of Profit and Loss.
Intangible assets are amortised over a period of 5 years.

f) Lease

The Company as a Lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognizes right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date.

The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that such options would be exercised.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

Lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined.

If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications. The Company recognises the amount of the remeasurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the remeasurement in statement of profit and loss.

Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of profit and loss in the period in which the events or conditions which trigger those payments occur.

g) Inventories

Inventories are valued at lower of cost and net realisable value. Cost of inventories is determined on FIFO basis.

Assessment of net realisable value is made at each subsequent reporting date. When the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the amount of the write-down is reversed.

h) Investments and other financial assets

i. Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income."

ii. Measurement

At initial recognition, the company measures a financial asset at its fair value and in the case of a financial asset not at fair value through profit and loss, at transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is

derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Equity instruments

The company subsequently measures all equity investments at fair value. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss.

i) Investment in associates

Investment in associates are carried at cost less impairment loss, if any. The cost comprises price paid to acquire investment and directly attributable cost.

j) Impairment

i. Impairment of financial instruments: financial assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount."

k) Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement

The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements requiring an entity to determine the current service costs and the net interest for the period after the remeasurement using the assumptions used for the remeasurement; and determine the net interest for the remaining period based on the remeasured net defined benefit liability or asset. The adoption of amendment to Ind AS 19 did not have any material impact on the standalone financial statements of the Company.

i. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Defined contribution plans

The Company, presently, does not have a defined contribution plan.

iii. Defined benefit plans

Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

l) Provisions (other than for employee benefits)

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

m) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The Company recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The Company has generally concluded that it is the principal in its revenue arrangements as it typically controls the goods or services before transferring them to the customer.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties.

The Company has adopted Ind AS 115 using cumulative effect method of initially applying this standard recognised at the date of initial application (i.e., April 01, 2018). There is no impact on the adoption of the standard in the standalone financial statements."

n) Recognition of dividend income, interest income or expense

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognised using the effective interest method after taking into account the amount outstanding and the rate applicable.

o) Income tax

Income tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period."

Ind AS 21 – The Effect of Changes in Foreign Exchange Rates states that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company does not have evaluated any impact of on its standalone financial statements.

p) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

q) Foreign currency transaction

Transactions in foreign currencies are translated into functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

i) Foreign currency monetary items are translated in the functional currency at the exchange rate of the reporting date.

ii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined.

iii) Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

iv) Exchange differences are recognised in profit or loss in the period in which they arise, except exchange differences arising from the translation of the items which are recognised in OCI.

r) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Segment reporting (Ind AS 108)

Operating Segment are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM who is responsible for allocating resources and assessing performance of the operating segments, has been

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)

Notes to the Standalone financial statements for the year ended 31st March, 2023

identified as the Managing Director of the Company. The Company operates only in one Business segment i.e. Trading of Iron & Steel and related products, hence does not have segment as per Ind AS 108 "Operating Segments". The performance of the Company is mainly driven by sales made in domestic market and hence, no separate reportable geographical segment is identified.

t) Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance costs. Expected future operating losses are not provided for.

Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

Contingent Liabilities are shown by way of notes to the Accounts in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered not probable

A Contingent Asset is not recognized in the Accounts.

u) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cash at bank and other deposits with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Ratios

The ratios for the years ended March 31, 2023 and March 31, 2022 are as follows

Particulars of Ratio	Numerator	Denominator	2022-23	2021-22	Variance (in %)
(a) Current Ratio	Current Assets	Current Liabilities	42.10	48.34	-12.90%
(b) Debt-Equity Ratio	Total debt	Shareholder's equity	0.02	0.05	-64.34%
(c) Debt Service Coverage Ratio	Earnings available for debt service	Debt service	-	59.94	NA
(d) Return on Equity Ratio	Net profits before exceptional items	Shareholder's equity	15.17%	1.01%	1409.70%
(e) Inventory turnover ratio	Revenue	Inventories	20.45	-	NA

(f) Trade Receivables turnover ratio	Revenue	Average receivable trade	3.02	0.17	1725.36%
(g) Trade payables turnover ratio	Purchases of services and other expenses	Average trade payable	252.47	-	NA
(h) Net capital turnover ratio	Revenue	Working capital	2.24	0.33	579.52%
(i) Net profit ratio (before exceptional items)	Net profits before exceptional items	Revenue	8.65%	4.30%	101.20%
(j) Return on Capital employed	Earning before interest and taxes	Capital employed	15.04%	195.86%	-92.32%

Reason for variance: Figures for the Financial Year 2021-22 are after implementation of the approved Resolution Plan whereupon operational & financial Liabilities were extinguished and advances, Trade & other receivables were written off and are not comparable with the figures for the current financial year and hence the variance.

34 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk
- (ii) Liquidity risk
- (iii) Market risk

Risk management framework

The Company's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, investments, cash and cash equivalents, other bank balances and other financial assets that derive directly from its operations.

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

The Company has standard operating procedures and investment policy for deployment of surplus liquidity, which allows investment in debt securities and mutual fund schemes of debt categories only and restricts the exposure in equity markets.

(i) Credit risk

Credit risk is the risk of financial loss of the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company receivables from customers and loans. Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing/ investing activities, including deposits with bank and mutual fund investments. The Company has no significant concentration of credit risk with any counterparty. The carrying amount of financial assets represent the maximum credit risk exposure.

Trade receivables

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

Movement in the expected credit loss allowance of trade receivables are as follows:

Particulars	As at 31 March 2023	As at 31 March 2022
Balance at the beginning of the year	926.92	4,695.27
Add: Provision during the year (net of reversals)	-	-
Less: Provision written back during the year	0.31	3,768.36
Balance at the end of the year	926.61	926.92
% of Expected Credit Loss:		
More than 1 year	10.00%	10.00%
2-4 Years	25.00%	25.00%
More than 4 years	75.00%	75.00%

Exposure to credit risks

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry. Details of concentration percentage of revenue generated from top customer for the current year and top five customers are stated below. The figures of the current year are of only one customer as the Company, currently, is providing conversion services to only one customer.

Particulars	Year ended 31.03.2023		Year ended 31.03.2022	
	%	Amount (Rs. In lakhs)	%	Amount (Rs. In lakhs)
Revenue from a top customer	58.37%	6,251.58	100.00%	1,162.28
Revenue from top five customers	100.00%	10,709.75	100.00%	1,162.28

Other credit risk is managed through credit approvals, establishing credit limits and by continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provisions at each reporting date whenever it is for longer period and involves higher risk. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for liquidity, funding as well as settlement management. In addition, Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the reputation.

Exposure to liquidity risk

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Particulars

As at 31 March 2023	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	-	-	119.18	119.18
Trade payables	36.96	-	-	36.96
Other financial liabilities	79.31	-	-	79.31
	116.27	-	119.18	235.44
As at 31 March 2022	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	-	-	271.58	271.58
Trade payables	36.69	-	-	36.69
Other financial liabilities	37.76	-	-	37.76
	74.46	-	271.58	346.04

(iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, payables and borrowings.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates related primarily to the Company's short term borrowings with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments at the end of the reporting period are as follows:

Particulars	31 March 2023	31 March 2022
Fixed rate instruments		
Financial assets	-	-
Financial liabilities	(119.18)	-
Variable rate instruments		
Financial assets	-	-
Financial liabilities	-	(271.58)

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Standalone financial statements for the year ended 31st March, 2023(Continued)

Sensitivity analysis

Fixed rate instruments that are carried at amortised cost are not subject to interest rate risk for the purpose of sensitive analysis.

A reasonably possible change of 50 basis points in variable rate instruments at the reporting dates would have increased or decreased profit or loss by the amounts shown below:

Particulars	Profit/ (loss)		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31 March 2023				
Variable rate instruments				
Cash flow sensitivity (net)	-	-	-	
31 March 2022				
Variable rate instruments	(1.36)	1.36	(0.98)	0.98
Cash flow sensitivity (net)	(1.36)	1.36	(0.98)	0.98

(b) Equity price risks

The Company is not exposed to equity risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments.

(c) Currency risk

The Company does not have currency risks since it is not exposed to any foreign currency transaction.

35 Capital management (Ind AS 1)

The Company's management objective are:

The Company monitors capital on the basis of carrying amount of equity including retained earnings as presented on the face of Balance Sheet. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. There is no change in the overall capital risk management strategy as compared to the last year.

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The management monitors the return on capital, as well as the level of dividends to equity shareholders.

The Company's objective when managing capital are to: (a) to maximise shareholders value and provide benefits to other stakeholders and (b) maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued equity share capital and other equity reserves attributable to the equity holders.

The Company monitors capital using debt-equity ratio, which is total debt less investments divided by total equity.

Particulars		31 March 2023	31 March 2022
Total debt (Bank and other borrowings)	A	119.18	271.58
Equity	B	6,104.23	4,960.83
Liquid investments including bank deposits	C	79.87	43.66
Debt to Equity (A / B)		0.02	0.05
Debt to Equity (net) [(A-C) / B]		0.01	0.05

36 The Company has recognized an impairment loss of Rs. 56.73 lakhs on its investment in Hari Equipments Private Limited, an associate of the Company, as the associate company has suspended its trading activities incurring significant losses with complete erosion of its net worth as of the end of financial year 31.03.2020

37

(Rs. In Lakhs)

	As at 31st March 2023	As at 31st March 2022
Foreign Exchange Earnings	-	-
Expenditure in Foreign Currency	-	-

38 Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever considered necessary to conform to this year's classification. Accordingly, amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to amounts and other disclosures relating to the current year.

39 Balances under Trade Receivables & Other advances / receivables are subject to confirmations and adjustments, if any. The Company considers the said amounts as good for recovery and hence are carried in the accounts at their book values, after provision for expected credit loss.

40 Financial instruments and related disclosures

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Standalone financial statements for the year ended 31st March, 2023(Continued)

40.1 Fair value measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

The Company has established the following fair value hierarchy that categorises the value into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are as stated in Note 2: Basis of Preparation

The company uses the discounted cash flow techniques (in relation to interest-bearing borrowings and loans) which involves determination of present value of expected receipt/payment discounted using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The fair value so determined is classified as Level 2.

40.2 Financial Instrument by category

The following table shows fair values of financial assets and liabilities, including their levels in financial hierarchy, together with the carrying amounts shown in the statement of financial position.

Particulars	Note No	As at 31st March 2023		As at 31st March 2022	
		carrying amount	Fair value Level 1/2	carrying amount	Fair value Level 1/2
A FINANCIAL ASSETS:					
a) Measured at Amortised Cost

Borrowings	15	119.18		271.58	271.58
Trade payables	16	36.96		36.69	-
Other financial liabilities	17	79.31		37.76	-

INDEPENDENT AUDITORS' REPORT

To the Members of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated Ind AS financial statements of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)** ["the Company"], and its Associate ("the group") which comprise the consolidated Balance Sheet as at 31 March 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information..

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditors on separate financial statements of the associate as was audited by the other auditors **and except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report**, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2023, its consolidated profit, other comprehensive income, consolidated changes in equity and consolidated cash flows for the year that ended.

Basis for Qualified Opinion:

- a. Internal Audit Report is not available since the management has not appointed Internal Auditor as required under section 138 of Companies Act, 2013.
- b. Balances under sundry debtors and loans and advances given by the company are subject to confirmations and adjustments, if any. In absence of such confirmations and reconciliations, consequential impact of the same on financial statements of the company could not be ascertained.
- c. Physical verification / valuation report for Property, Plant & Equipment including assets held for sale of Rs.84.16 Lakhs is not available and in absence of verification / valuation report, we are unable to ascertain the fair / realizable values of such items and its impact on the financials of the company for the year under report.

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Emphasis of Matter

(As reported by the auditor of Hari Equipments Private Limited, the associate company)

1. The Company has sent letters to customers in respect of trade receivables for confirming balances outstanding as at March 31, 2023, but in most of the cases the customers have not sent written confirmation confirming the balance outstanding as at March 31, 2023. In the absence of confirmation, any provision to be made for adverse variation in the carrying amounts of trade receivable is not quantified.
2. Pending confirmations/reconciliation of balances of unsecured loans & borrowings, financial/non-financial assets and liabilities, the auditors are unable to comment upon any provision to be made for adverse variation in the carrying amounts of such balances.
3. The fair value of the Investment property as stated in the financials is based on the valuation report as on 31/03/2020. The management of the associate is of the view that there has not been any significant change in the fair value of the Investment property since that report, therefore they have not obtained a valuation report from the independent valuers for 31/03/2023.
4. The Auditors have drawn attention to the Associate Company's dependency upon raising additional finance in order to continue operations indicating the existence of a material uncertainty that may cast significant doubt about the Associate Company's ability to continue as a going concern.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

(i) Non conduct of Internal Audit and Non availability of Internal Financial Controls: We were not provided with copy of Internal Audit Report and Risk Control Matrix including Standard Operating Procedures of the company which we consider to be significant key matter, keeping in view the nature and size of the operations of the Company.

Our procedures included the following: The issues relating to Internal Audit Report and Internal Financial Controls have been discussed with the management, who have assured necessary compliances in the current fiscal year.

Information Other than the Consolidated Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon. The information included in the annual report is expected to be made available to us after the date of the auditor's report.

Our opinion on the Ind AS Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information, compare with the financial statements of the associate audited by the other auditors, to the extent it relates to the entity and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the associate, is traced from their financial statements audited by the other auditors. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard. **except for matters described in the ‘Basis for Qualified Opinion’ para above.**

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company including its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the Company including its associate is responsible for assessing the Company’s ability including its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company, including its associate.

Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities with the Company including its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of the Associate Company, namely, Hari Equipments Private Limited included in the Consolidated Financial Statements of the Company whose financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid associate is based solely on the audit report of the other auditors. The investment in the Associate in the Consolidated Financial Statement was impaired due to share of

accumulated losses incurred by the Associate company exceeding the cost of investment in the Associate. As per Equity Method, further share of Net Loss of the Associate Company is not included in the financial statements as per IND-AS 28 (Investment in Associates) and investment is reported at NIL value. Our opinion is modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

3. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consolidation of reports of other auditors on separate financial statements of such associate as were audited by other auditors, as noted in the 'Other Matters' paragraph we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
4. (A) As required by Section 143(3) of the Act, we report that:
 - (h) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (i) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and the report of the other auditors **except for matters described in the 'Basis for Qualified Opinion' para above.**
 - (j) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014 **except for matters described in the 'Basis for Qualified Opinion' para above.**
 - (k) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors of the Company and the report of other statutory auditors of its associate company, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (l) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these consolidated Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure 2**" which is based on the audited report of the Company audited by us and the associate audited by other auditors. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to financial statements of the Company and its associate incorporated in India;
 - (m) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 of the Act;
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - e. Pursuant to the approval of the Resolution Plan by the Order dated 11th January 2022 of the Hon'ble National Company Law Board (Kolkata Bench), all the pre-existing contingent liabilities have been extinguished together with the associated pending litigations and hence, as per management, there is nothing to be disclosed in its financial statements.

The Associate Company does not have any pending litigations having impact on its

financial position in its financial statements.

- f. The Company and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- g. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its associate.
- h. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to these Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its associate to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or its associate or
 - c) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in notes to these financial statements, no funds have been received by the Company or its associate from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or its associate shall:

- a) directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or
- c) provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material misstatement.

ANNEXURE- 2 TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Dhatre Udyog Limited (Formerly, Narayani Steels Limited)** [“the Company”] as of 31st March, 2023 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its associate company which is incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the associate company, which is incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and

expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2023:

- i. Internal Audit Report is not available since management has not appointed Internal Auditor as required under section 138 of Companies Act, 2013.
- ii. Balances under sundry debtors and loans and advances given by the company are subject to confirmations and adjustments, if any. In the absence of such confirmations and reconciliations, consequential impact of the same on financial statements of the company could not be ascertained.
- iii. Physical verification/valuation report for Property, Plant & Equipment including assets held for sale of Rs.84.16 Lakhs is not available and in absence of verification/valuation report, we are unable to ascertain the fair / realizable values of such items and its impact on the financials of the company for the year under report.

In our opinion, because of the possible effects of the material weakness as described above on the achievement of the objectives of internal control criteria, the Company has not maintained adequate internal financial control over financial reporting and such internal financial controls over financial reporting were not operating effectively with respect to obtaining balance confirmations as on March 31, 2023, and

We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of financial statements of the Company for the year ended March 31, 2023 and these material weaknesses don't affect our opinion on the financial statements of the company.

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
(CIN- L24319WB1996PLC082021)

Notes to the Consolidated financial statements for the year ended 31st March, 2023

1. Corporate Information

The consolidated financial statements comprise financial statements of Dhatre Udyog Limited (Formerly, Narayani Steels Limited) and its associate; Hari Equipments Private Limited for the year ended 31st March, 2023.

Dhatre Udyog Limited (Formerly, Narayani Steels Limited) ["the Company"] is principally engaged in the business of manufacture and sale of TMT bars, Rounds, Squares, Angles, etc (including conversion on job-work basis) and trading of Billets, Blooms, Ingots, Iron ores, etc.

The Company is an integrated manufacturer of diverse range of Iron & steel products with its manufacturing facilities located at Vizianagaram, Andhra Pradesh, India.

Dhatre Udyog Limited (Formerly, Narayani Steels Limited) is a public limited company incorporated in India on 13th November, 1996 under the Companies Act, 1956 (as amended Companies Act, 2013) and listed on the Bombay Stock Exchange. The registered office is situated at Ergo Tower, Plot No. A1-4, Block - EP & GP, Unit No. 1406, 14th Floor, Sector - V, Salt Lake City, Kolkata - 700091 (**Corporate Office at Survey No. 202/31-38, Modavalsa Village, Denkada Mandalam, Vizianagaram, Andhra Pradesh-535006, India**).

2. Basis of preparation

a) Statement of Compliance

These consolidated financial statements are prepared in accordance with the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

b) Functional and presentation currency

The financial statements are presented in Indian Rupees ('Rs') which is Company's presentation currency. The functional currency of the Company is also Indian Rupees ('Rs'). All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh with two decimals as per the requirement of Schedule III, unless otherwise stated.

c) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

(i) Certain financial assets and financial liabilities measured at fair value;

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

The statement of cash flows have been prepared under indirect method.

d) Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

e) Basis of Consolidation

The Consolidated Financial Statements have been prepared in accordance with principles laid down in Ind AS 110 on “Consolidated Financial Statements” and Ind AS 28 on “Accounting for Investments in Associates and Joint Ventures”.

The Company’s investments in its associate is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Company’s share of net assets of the associate since the acquisition date. If the Company’s share of the net fair value of the investee’s identifiable assets and liabilities exceeds the cost of the investment, any excess is recognised directly in Equity as capital reserve in the period in which the investment is acquired. Goodwill, if any, relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The Consolidated Statement of Profit and Loss reflects the Company’s share of the results of operations of the associate. Any change in Other Comprehensive Income of investee is presented as part of the Company’s Other Comprehensive Income. In addition, when there has been a change recognised directly in the equity of the associates, the Company recognises its share of any changes, when applicable, in the Consolidated Statement of Changes in Equity. Unrealised gains and losses resulting from transactions between the Company and the associate is eliminated to the extent of the interest in the associate.

If the Company’s share of losses of associate equals or exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Group’s net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associates. If the associate subsequently reports profits, the Company resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company’s share of profit/loss of associate is shown on the face of the Consolidated Statement of Profit and Loss. The consolidated financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date, i.e., year ended on 31st March.

When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each balance sheet date, the Company determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as ‘Share of profit of associates’ in the Consolidated Statement of Profit and Loss.

f) Critical accounting judgements and key sources of estimation uncertainty: Key assumptions-

(i) Useful lives of Property, plant and equipment and intangible assets:

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the assets.

(ii) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(iii) Defined benefit plans:

The cost of the defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iv) Recognition and measurement of provisions and contingencies:

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is made towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

(v) Expected credit losses on financial assets: The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Company’s history of collections, customer’s creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

g) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: includes financial Instrument measured using quoted prices (unadjusted) in active markets for identical assets and liabilities that the entity can access at the measurement date.
- Level 2: Includes financial Instruments which are not traded in active market but for which all significant inputs required to fair value the instrument are observable. The fair value is calculated using the valuation technique which maximises the use of observable market data.
- Level 3: Includes those instruments for which one or more significant input are not based on observable marketdata."

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. Significant accounting policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of business and the time between the acquisition of assets for development and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVOCI)
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

Financial assets at FVOCI

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

ii. Financial liability

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:

- Financial liabilities through profit or loss (FVTPL)
- Financial liabilities at amortised cost

Financial liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Financial liabilities at amortised cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and any gain or loss on derecognition are recognised in profit or loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derecognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Derivative financial instruments

The Company uses forward contracts to hedge its currency risk. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Derivative financial instruments are recognised initially and subsequently at fair value through mark to market valuation. Gain or loss arising from the changes in fair value of derivatives are credited or debited to the Exchange differences in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, Plant and Equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use, which is determined by the present value of the estimated future cash flows.

ii. Transition to IndAS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2017, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

iii. Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iv. Depreciation

Depreciation for the year is recognised in the Statement of Profit and Loss.

Depreciation is provided based on the life and in the manner prescribed in Schedule II to the Companies Act, 2013, on straight line method on property, plant and equipment in Unit II at Bhogapuram, on written down value method on other property, plant and equipment and on written down basis on Right-to-use Assets.

These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of right-of-use assets, over the lease period, if shorter.

The estimated useful lives of the assets of property, plant and equipment are estimated by the management which are equal to the life prescribed under Schedule II of the Act.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

v. Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of classification.

vi. Capital Work-in-progress

Costs of the Property, plant and equipment not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-progress.

d) Investment properties

Investment properties are properties held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, investment properties are measured at cost. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

The Company depreciates investment properties on a written down value method over the useful life of the asset.

Any gain or loss on disposal of an investment property is recognised in profit or loss.

The fair values of investment properties are disclosed in the notes accompanying these financial statements.

Fair values are determined by an independent property valuer who holds recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

e) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal.

The useful life of computer software is considered to be 5 years.

i. Amortisation

Amortisation for the year is recognised in the Statement of Profit and Loss.

Intangible assets are amortised over a period of 5 years.

f) Lease

The Company as a Lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components. The Company recognizes right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date.

The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that such options would be exercised.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

Lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined.

If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications. The Company recognises the amount of the remeasurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the remeasurement in statement of profit and loss.

Variable lease payments not included in the measurement of the lease liabilities are expensed to the statement of profit and loss in the period in which the events or conditions which trigger those payments occur.

g) Inventories

Inventories are valued at lower of cost and net realisable value. Cost of inventories is determined on FIFO basis.

Assessment of net realisable value is made at each subsequent reporting date. When the circumstances that previously caused inventories to be written down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the amount of the write-down is reversed.

h) Investments and other financial assets

i. Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income."

ii. Measurement

At initial recognition, the company measures a financial asset at its fair value and in the case of a financial asset not at fair value through profit and loss, at transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Equity instruments

The company subsequently measures all equity investments at fair value. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss.

i) Investment in associates

Investment in associates are carried at cost less impairment loss, if any. The cost comprises price paid to acquire investment and directly attributable cost.

j) Impairment

i. Impairment of financial instruments: financial assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category.

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount."

k) Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement

The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements requiring an entity to determine the current service costs and the net interest for the period after the remeasurement using the assumptions used for the remeasurement; and determine the net interest for the remaining period based on the remeasured net defined benefit liability or asset. The adoption of amendment to Ind AS 19 did not have any material impact on the standalone financial statements of the Company.

i. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Defined contribution plans

The Company, presently, does not have a defined contribution plan.

iii. Defined benefit plans

Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

l) Provisions (other than for employee benefits)

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

m) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The Company recognises revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The Company has generally concluded that it is the principal in its revenue arrangements as it typically controls the goods or services before transferring them to the customer.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties.

The Company has adopted Ind AS 115 using cumulative effect method of initially applying this standard recognised at the date of initial application (i.e., April 01, 2018). There is no impact on the adoption of the standard in the standalone financial statements."

n) Recognition of dividend income, interest income or expense

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognised using the effective interest method after taking into account the amount outstanding and the rate applicable.

o) Income tax

Income tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period."

Ind AS 21 – The Effect of Changes in Foreign Exchange Rates states that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company does not have evaluated any impact of on its standalone financial statements.

p) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

q) Foreign currency transaction

Transactions in foreign currencies are translated into functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

i) Foreign currency monetary items are translated in the functional currency at the exchange rate of the reporting date.

ii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined.

iii) Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

iv) Exchange differences are recognised in profit or loss in the period in which they arise, except exchange differences arising from the translation of the items which are recognised in OCI.

r) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Segment reporting (Ind AS 108)

Operating Segment are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM who is responsible for allocating resources and assessing performance of the operating segments, has been

identified as the Managing Director of the Company. The Company operates only in one Business segment i.e. Trading of Iron & Steel and related products, hence does not have segment as per Ind AS 108 "Operating Segments". The performance of the Company is mainly driven by sales made in domestic market and hence, no separate reportable geographical segment is identified.

t) Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance costs. Expected future operating losses are not provided for.

Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

Contingent Liabilities are shown by way of notes to the Accounts in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered not probable

A Contingent Asset is not recognized in the Accounts.

u) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cash at bank and other deposits with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

C. <u>Reconciliation of effective tax rate for the year ended 31st March 2023</u>		
	2022-23	2021-22
Profit / (Loss) before tax	926.18	10246.35
Tax using the Indian tax rate @ 31st March 2023: 27.82% (31st March 2022: 27.82%)	257.66	2850.53
Change in tax rate and other tax differences	0.02	717.75
Effective tax	257.68	3,568.28

28. Basic and diluted earnings per share (Ind AS 33)

The calculations of profit attributable to equity shareholders and weighted average number of equity shares outstanding for purposes of basic earnings per share calculation are as follows:

	2022-23	2021-22
a. Profit attributable to equity shareholders	668.29	6,678.06
b. Adjusted profit for dilutive earnings	668.29	6,678.06
c. Weighted average number of ordinary shares outstanding for the purpose of basic earnings per share	1,08,95,450	5,45,450
d. Weighted average number of ordinary shares in computing diluted earnings per share [(d) + (e)]	1,08,95,450	5,45,450
e. Shares Pending Allotment	-	1,03,63,550
f. Potential shares after allotment	1,08,95,450	1,09,09,000
g. Earnings per share on profit for the year (Face Value Rs. 10/- per share)		
Basic [(a)/(c)]	11.54	1,224.32
Diluted [(b)/(d)]	6.13	61.22

29. Contingent Liabilities

(to the extent not provided for)

As per the resolution plan approved and taken effect in the previous financial year, the contingent liabilities and commitments, claims and obligations, Corporate guarantees and Legal Proceedings initiated against Corporate Debtor stand extinguished and accordingly no outflow of economic benefits is expected in respect thereof. The Resolution plan further provides that implementation of resolution plan will not affect the rights of the Company to recover any amount due to the Company and there shall be no set off of any such amount recoverable by the Company against any liability discharged or extinguished.

Notes to the Consolidated financial statements for the year ended 31st March, 2023(Continued)

33. **Ratios**

The ratios for the years ended March 31, 2023 and March 31, 2022 are as follows

Particulars of Ratio	Numerator	Denominator	2022-23	2021-22	Variance (in %)
(a) Current Ratio	Current Assets	Current Liabilities	42.10	48.34	-12.90%
(b) Debt-Equity Ratio	Total debt	Shareholder's equity	0.02	0.05	-64.34%
(c) Debt Service Coverage Ratio	Earnings available for debt service	Debt service	-	59.94	NA
(d) Return on Equity Ratio	Net profits before exceptional items	Shareholder's equity	15.17%	1.01%	1409.70%
(e) Inventory turnover ratio	Revenue	Inventories	20.45	-	NA
(f) Trade Receivables turnover ratio	Revenue	Average trade receivable	3.02	0.17	1725.36%
(g) Trade payables turnover ratio	Purchases of services and other expenses	Average trade payable	252.47	-	NA
(h) Net capital turnover ratio	Revenue	Working capital	2.24	0.33	579.52%
(i) Net profit ratio (before exceptional items)	Net profits before exceptional items	Revenue	8.65%	4.30%	101.20%
(j) Return on Capital employed	Earning before interest and taxes	Capital employed	15.04%	195.86%	-92.32%

Reason for variance: Figures for the Financial Year 2021-22 are after implementation of the approved Resolution Plan whereupon operational & financial Liabilities were extinguished and advances, Trade & other receivables were written off and are not comparable with the figures for the current financial year and hence the variance.

34. **Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk
- (ii) Liquidity risk
- (iii) Market risk

Risk management framework

The Company's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, investments, cash and cash equivalents, other bank balances and other financial assets that derive directly from its operations.

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

The Company has standard operating procedures and investment policy for deployment of surplus liquidity, which allows investment in debt securities and mutual fund schemes of debt categories only and restricts the exposure in equity markets.

(i) **Credit risk**

Credit risk is the risk of financial loss of the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company receivables from customers and loans. Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing/ investing activities, including deposits with bank and mutual fund investments. The Company has no significant concentration of credit risk with any counterparty. The carrying amount of financial assets represent the maximum credit risk exposure.

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
CIN- L24319WB1996PLC082021)

Notes to the Consolidated financial statements for the year ended 31st March, 2023 (Continued)

Trade receivables

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

Movement in the expected credit loss allowance of trade receivables are as follows:

Particulars	As at 31 March 2023	As at 31 March 2022
Balance at the beginning of the year	926.92	4,695.27
Add: Provision during the year (net of reversals)	-	-
Less: Provision written back during the year	0.31	3,768.36
Balance at the end of the year	926.61	926.92
% of Expected Credit Loss:		
More than 1 year	10.00%	10.00%
2-4 Years	25.00%	25.00%
More than 4 years	75.00%	75.00%

Exposure to credit risks

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry. Details of concentration percentage of revenue generated from top customer for the current year and top five customers are stated below. The figures of the current year are of only one customer as the Company, currently, is providing conversion services to only one customer.

Particulars	Year ended 31.03.2023		Year ended 31.03.2022	
	%	Amount (Rs. In lakhs)	%	Amount (Rs. In lakhs)
Revenue from a top customer	58.37%	6,251.58	100.00%	1,162.28
Revenue from top five customers	100.00%	10,709.75	100.00%	1,162.28

Other credit risk is managed through credit approvals, establishing credit limits and by continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provisions at each reporting date whenever it is for longer period and involves higher risk. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for liquidity, funding as well as settlement management. In addition, Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the reputation.

Exposure to liquidity risk

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Particulars

As at 31 March 2023	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	-	-	119.18	119.18
Trade payables	36.96	-	-	36.96
Other financial liabilities	79.31	-	-	79.31
	116.27	-	119.18	235.44
As at 31 March 2022	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	-	-	271.58	271.58
Trade payables	36.69	-	-	36.69
Other financial liabilities	37.76	-	-	37.76
	74.46	-	271.58	346.04

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)
CIN- L24319WB1996PLC082021)

Notes to the Consolidated financial statements for the year ended 31st March, 2023 (Continued)

(iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, payables and borrowings.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates related primarily to the Company's short term borrowings with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments at the end of the reporting period are as follows:

Particulars	31 March 2023	31 March 2022
Fixed rate instruments		
Financial assets	-	-
Financial liabilities	(119.18)	-
Variable rate instruments		
Financial assets	-	-
Financial liabilities	-	(271.58)

Sensitivity analysis

Fixed rate instruments that are carried at amortised cost are not subject to interest rate risk for the purpose of sensitive analysis.

A reasonably possible change of 50 basis points in variable rate instruments at the reporting dates would have increased or decreased profit or loss by the amounts shown below:

Particulars	Profit/ (loss)		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31 March 2023				
Variable rate instruments				
Cash flow sensitivity (net)	-	-	-	
31 March 2022				
Variable rate instruments	(1.36)	1.36	(0.98)	0.98
Cash flow sensitivity (net)	(1.36)	1.36	(0.98)	0.98

(b) Equity price risks

The Company is not exposed to equity risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments.

(c) Currency risk

The Company does not have currency risks since it is not exposed to any foreign currency transaction.

35 Capital management (Ind AS 1)

The Company's management objective are:

The Company monitors capital on the basis of carrying amount of equity including retained earnings as presented on the face of Balance Sheet. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. There is no change in the overall capital risk management strategy as compared to the last year.

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The management monitors the return on capital, as well as the level of dividends to equity shareholders.

The Company's objective when managing capital are to: (a) to maximise shareholders value and provide benefits to other stakeholders and (b) maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued equity share capital and other equity reserves attributable to the equity holders.

The Company monitors capital using debt-equity ratio, which is total debt less investments divided by total equity.

Particulars		31 March 2023	31 March 2022
Total debt (Bank and other borrowings)	A	119.18	271.58
Equity	B	6,104.23	4,960.83
Liquid investments including bank deposits	C	79.87	43.66
Debt to Equity (A / B)		0.02	0.05
Debt to Equity (net) [(A-C) / B]		0.01	0.05

DHATRE UDYOG LIMITED
(FORMERLY NARAYANI STEELS LIMITED)

Notes to the Consolidated financial statements for the year ended 31st March, 2023(Continued)

36 The Company has recognized an impairment loss of Rs. 56.73 lakhs on its investment in Hari Equipments Private Limited, an associate of the Company, as the associate company has suspended its trading activities incurring significant losses with complete erosion of its net worth as of the end of financial year 31.03.2020

37

(Rs. In Lakhs)

	As at 31st March 2023	As at 31st March 2022
Foreign Exchange Earnings	-	-
Expenditure in Foreign Currency	-	-

38 Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever considered necessary to conform to this year's classification. Accordingly, amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to amounts and other disclosures relating to the current year.

39 Balances under Trade Receivables & Other advances / receivables are subject to confirmations and adjustments, if any. The Company considers the said amounts as good for recovery and hence are carried in the accounts at their book values, after provision for expected credit loss.

40 Financial instruments and related disclosures

40.1 Fair value measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

The Company has established the following fair value hierarchy that categorises the value into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are as stated in Note 2: Basis of Preparation

The company uses the discounted cash flow techniques (in relation to interest-bearing borrowings and loans) which involves determination of present value of expected receipt/payment discounted using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The fair value so determined is classified as Level 2.

40.2 Financial Instrument by category

The following table shows fair values of financial assets and liabilities, including their levels in financial hierarchy, together with the carrying amounts shown in the statement of financial position.

Particulars	Note No	As at 31st March 2023		As at 31st March 2022	
		carrying amount	Fair value Level 1/2	carrying amount	Fair value Level 1/2
A FINANCIAL ASSETS:
